

Re-Open Arkansas endorses Jim Bob Duggar in Senate District 7 Special Election

After conducting due diligence on all four Republican candidates in the Senate District 7 Special Election, Re-Open Arkansas endorses Jim Bob Duggar. Based on interviews and completed questionnaires, it became apparent that Duggar is the only candidate in the race who fully shares the values of individual liberty and medical freedom of choice advocated for by Reopen Arkansas. We believe it is important to focus not on a personal bias, but rather on how a candidate would actually vote as a member of the Arkansas Senate. We should further consider how much good his vote would do for all Arkansans. Duggar could be the crucial 24th vote in the senate necessary to immediately implement certain freedom-related legislation. We saw this in the last session when the emergency clause on medical freedom legislation failed by one or two votes.

Duggar policy positions important to Reopen Arkansas:
