Do you, or does anyone in your household, have a financial or employment interest in any healthcare related business?:

No

Should the state be advertising and otherwise promoting the vaccine using taxpayer dollars? Why or why not?:

No

Should the new legislature re-elect or replace current leadership?:

Re-elect current leaders

Did ADH and ABC have authority to issue the mask-related fines to small businesses last year?:

No

Should the legislature force ABC and ADH to return the mask-related fines collected last year?:

Yes

What is your position on SB 730 (the Garner bill)?:

For

What is your position on SB 731 (the Ballinger bill)?:

For

What is your position on SB 732 (the Blake Johnson bill)?:

For

What is your position on SB739 (the Hammer bill)?:

For

Do you believe the state has to respect and otherwise enforce unconstitutional federal mandates? At what point does state sovereignty apply?:

State has no responsibility to enforce any Federal mandates, unconstitutional or otherwise. The state has a responsibility to protect its citizens from unconstitutional mandates.

Are you, or is anyone in your household, a public school teacher or otherwise employed by a public school?:

No

Do you believe that CRT, or some form of it, is currently being taught in Arkansas schools?:

Yes

What is your position on CRT?:

Strongly Opposed.

What is your position on school choice? If you support it, what form do you support (e.g. complete choice, limited vouchers, choice limited to other public schools)?:

I support all forms of school choice. In fact, I support anything that empowers parents in the control of their kids education.

Should any abortions be legal in the state of Arkansas?

Please explain.:

No, it's murder.

Are you in favor of the concept of limited government, and do you commit to support the Republican Party platform as written?:

Yes, 100%

Do you support reducing / eliminating the state income tax? If so, what process would you support to accomplish it (e.g. gradual reduction, drastically cut state government, increase sales or property tax)?:

Yes. We should drastically cut state government and gradually reduce the rate evenly across all tax brackets.

Have you accepted (or would you accept) money from Tyson, Walmart, the state chamber, or the hospital lobby?:

Yes

What bill should the legislature pass immediately to do the most good for Arkansans?:

Probably my right to privacy bill. We will see how things are developing if I make it back to the 2023 session.

Why did you choose to run specifically for this office and not another one?:

I'm running for re-election.

On which legislative committee are you most interested in serving, and why?:

Judiciary or Education - I am an attorney and I was a

teacher. It where I could make the most difference.

What is your top priority once in office?:

To protect the light of liberty.

Is there anything else you would like to share?:

I appreciate your in the maintenance of a free society.
